

A Great Aunt's Delight

Longways

Music: 'A Great Aunt's Delight' by Dan Hollingshurst of Folkus Pocus

This was another one of those tunes which I heard once and was then determined to write a dance to, it just makes you want to dance! This tune hasn't been publicly released but the dance will fit with any 32 jig. The set of English jigs on the New Dimensions CD works well as a substitute.

- A1: (1-4) 1s cross & cast
(5-8) 1s half figure 8 up [2s can move up once 1s are out of the way]
- A2: (1-8) Repeat for 2s
- B1: (1-4) Single file circle L 1/2, turn single L out of it
(5-8) First corners cross L, second corners cross R.
- B2: (1-4) All set R&L, 1s cast 2s lead up.
(5-8) All 2HT partner.

It wasn't until after I wrote the dance that I realised it is rather similar to 'Mount Hills', but hey ho these things happen, I still like both of them!
